Dear Sisters in the Province,

As fragrant spring comes after the cold winter, certain warm spring energy seems to be on way after the cold atmosphere marked by prolonged tensions and hostilities on the Korean Peninsula. As we support the spring of peace being created by the collaboration of South and North Korea, we pray that the discord overshadowing our planet may be overcome and new spirit of reconciliation may grow during this season of Easter, the culmination of the Paschal Mystery. May the joy of the Risen Christ be with you.
